Ruva Customer Services Pvt. Ltd.  
PHP Developer ( May 2016- Aug  
2017)

EWEBGUIDE , SEO Keywords  
Researcher , January 2012- February  
2014

## EDUCATION

- B.Tech. (Computer Sc.) from Kurukshetra University, Kurukshetra, India in 2011

## PROFILE SUMMARY

- With over a decade of experience in software development, specializing in **React.js, Node.js, Nest.js, Next.js**, GraphQL, PHP, **Laravel** adept at handling big databases and frontend development.
- Currently serving as a Senior Software Engineer, but Leading 6, 7 Junior Developers since last 2 years who are directly reporting to me.** Demonstrating proficiency in object-oriented programming, MVC.
- Proven ability to lead development teams, guiding them through the software development lifecycle**, from requirement analysis to deployment and maintenance.
- Expertise in designing scalable, maintainable, and robust software architectures.** Proficient in applying design patterns and best practices to create efficient and effective solutions.
- Extensive experience in both front-end and back-end development**, with proficiency in modern programming languages and frameworks (e.g., Java, C#, Python, JavaScript, React, Angular, Node.js).
- Skilled in managing project timelines, resources, and budgets. Capable of using Agile methodologies (Scrum, Kanban)** to ensure timely delivery and high-quality outcomes.
- Advocate for code quality through rigorous code reviews, unit testing, and integration testing.** Familiar with CI/CD pipelines and version control systems (e.g., Git).
- Strong analytical skills with the ability to diagnose complex technical issues and implement effective solutions** to enhance system performance and reliability.
- Excellent communication skills, adept at liaising with stakeholders, gathering requirements**, and translating them into technical specifications and deliverables.
- Experienced in mentoring junior developers, fostering professional growth**, and promoting a collaborative and productive team environment.
- Committed to staying abreast of industry trends and emerging technologies.** Actively seeks opportunities for process improvements and innovation to drive the success of software projects.

## WORK EXPERIENCE

### Ambak Fintech Pvt. Ltd. | Nov 2024 – Present

#### Key Result Area:

- Working with technologies such as Node.js, React.js, GraphQL, Next.js, Nest.js microservices, and MySQL to develop and enhance secure fintech products.
- Continuously learning and implementing new technologies and best practices to drive product development and improve system performance.
- Contributing to the architecture and design of scalable and efficient solutions for complex financial applications.

### Bold Technology Systems Pvt. Ltd. | Oct 2018 – Oct 2024

#### Key Result Area:

- Spearheading the development of innovative software solutions using Node.js and React.js, ensuring seamless integration with MySQL DB.
- Collaborating with cross-functional teams to design and implement scalable applications, adhering to best practices in software development.
- Conducting code reviews, optimizing performance, and enhancing system functionalities to meet client requirements.

## TECHNICAL SKILLS

- Web Technologies: React.js, Node.js, NestJS, GraphQL, PHP, Laravel (MySQL, MONGO DB)
- Version Control: Git
- Tools: Jenkins
- Others: PL/SQL, Microservices, Agile, Amazon Web Services
- Basic understanding of MongoDB and Data Structure and Algorithm.

## PERSONAL DETAILS

**Date of Birth:** 26/May/1987  
**Languages Known:** English, Hindi  
**Address:** 35-A, Vivek Vihar, Saharanpur UP
